

(4) Appropriate hobbycraft activities shall be encouraged in the inmate living areas. However, the Warden may limit hobbycraft projects in the cell/living areas to those which can be contained/stored in provided personal property containers. Exceptions may be made for such items as a painting where the size would prohibit placement in a locker. Hobbycraft items must be removed from the living area when completed unless they are approved as personal property.

(5) The Warden shall require the inmate to mail completed hobbycraft articles out of the institution at the inmate's expense, or to give them to an authorized visitor within 30 days of completion, or to dispose of them through approved sales. However, articles offered for sale must be sold within 90 days of completion, or must be given to an authorized visitor or mailed out of the institution at the inmate's expense.

(6) Where space and equipment are limited and demand is high, the Warden may set limits on the amount of time an inmate may use a hobbycraft facility, e.g., the Warden may limit an inmate's use of any workshop or classroom to six months to make room for new students. Hobbycraft participants may be rotated to allow for maximum utilization of the resources.

(7) Disciplinary action may be taken against inmates found with unauthorized hobbycraft materials in their possession. This action may include the removal of the inmate from the hobbycraft program.
